Cheriton to Folkestone: Proposed walking, wheeling and cycling improvements.

Public Consultation

Have your say!

We want to hear your views on our proposed detailed design for active travel improvements between Cheriton and Radnor Park and a possible new 20mph zone.

Find out more information and have your say at

www.kent.gov.uk/cheritonat

Consultation closes 1 August 2023

Funded by
UK Government

Following on from the feedback received from our previous consultations, we have now developed the design further to include a new cycle path, improved pedestrian crossing facilities and a possible new 20mph zone. The scheme seeks to improve the health, wellbeing and safety of local people.

We want to continue to understand the views of local communities and the traveling public about our ideas, as your feedback is essential in helping us finalise the scheme.
